846.470 Use of commercial organizations for inspections and grading services.

Commercial organizations may be used for inspection and grading services when it is determined that the results of a technical inspection or grading are dependent upon the application of scientific principles or specialized

techniques, and it is further determined that:

(a) The Department of Veterans Affairs is unable to employ the personnel qualified to properly perform the services and is unable to locate another Federal agency capable of providing the service.

(b) The inspection or grading results issued by a private organization are essential to verify the acceptance or rejection of a special commodity.

(c) The services may be performed without direct Government supervision.

846.472 Inspection of repairs for properties under the Loan Guaranty and Direct Loan Programs.

Final inspection will be made of all repair programs upon completion. In addition such intermediate or progress inspections will be made on extensive or technical jobs as specified in the contract.

846.472-1 Repairs of \$1,000 or less.

(a) Generally, inspections required will be made by the management broker. If the property has not been assigned to a management broker or if it has been determined that the nature of the repairs requires supervision by a technician, the inspection will be made by a qualified fee or staff inspector.

(b) There is no form prescribed for this inspection but VA Form 26-1839, Compliance Inspection Report, may be used if desired. Regardless of the form in which the report is submitted, it will be in sufficient detail to identify the contractor, property, and the repair program and to enable the contracting officer to make a determination that the work is being performed satisfactorily or completed in accordance with the terms of the contract.

846.472-2 Repairs in excess of \$1,000.

(a) The final inspection and any intermediate or progress inspections on repairs exceeding \$1,000 will be made by a qualified fee or staff inspector. If a management broker is qualified to supervise major repairs, he/she may be authorized to conduct the inspections.

(b) Report of inspections will be made on VA Form 26-1839, Compliance Inspection Report. The form will be completed to identify the property, contractor, and repair program and will also include such detailed information to enable the contracting officer to make a determination that the work is being performed satisfactorily or that it has been completed in accordance with the contract terms. Any deficiencies noted will be itemized and explained in detail.
